

Featured Teacher Interview

Please fill out this form and return to education@parallax.com along with a hi-res photo of yourself. As a Featured Teacher, your interview will be posted on www.Parallax.com and may be featured on our front page. If you have any questions, please email us at education@parallax.com.

Your name: _____

Name of your school: _____

Location (School city, state, country): _____

Grade level(s): _____

Course title(s): _____

What are the main learning objectives in your course?

Provide a few words about the topics and skills covered. It is helpful to other teachers to include the instructional hours as well.

Which Parallax items do you use in your course?

Let us know which Parallax hardware kits, tutorials, or other materials are you using in your course.)

Describe the experience for you and your students.

What gets them the most interested? What keeps them engaged? How do they apply their own creativity? It is fine to include links to your classes' website, events, competition participation, etc.)

What is your favorite Parallax product and why?

This doesn't have to be something you are using in your class.

Any tips for other teachers?

Here's a place to offer advice and insight gained from your experience, to other teachers who are trying to build similar programs at their schools

Any other comments?

Any resources to share?

Videos, handouts, presentations, source code, quizzes, activity or contest ideas, etc. Anything with assessment material would be posted to our private Educators Resources on Learn for teacher access only.
